THIS INFORMATION HAS BEEN FILED WITH THE GEORGIA PUBLIC SERVICE COMMISSION AS A TRADE SECRET UNDER SECTION 515-3-1.11

GEORGIA PUBLIC SERVICE COMMISSION STAFF'S
FIRST SET OF DATA REQUESTS TO COMPANIES
DOCKET NO. 32235

February 10, 2026

STF-1-4 Please provide in a Word Document file a description of each product and/ or service offered by each affiliate and each product and/or service offered to each affiliate by the telephone company. If applicable, please provide an accounting schedule showing the amounts paid to and received from the parent company and to each affiliate for the twelve months ending June 30, 2025, in an excel spreadsheet file.

Respondent: James L. Bond – President, Public Service Telephone Company

Public Service Telephone Company Response:

Public Service Communications, Inc. (PSCI) engages in regulated and non-regulated activities through its wholly owned subsidiaries. PSCI owns 100% of its direct subsidiaries including Public Service Telephone Company, Flint Cable TV, Inc., Public Service Data Inc., Public Service Towers, Inc., Public Service Cellular, Inc., Public Service Cellular Aviation, Inc., Public Service PCS, Inc., Forsyth CableNet, LLC and Public Service Wireless Services.

Public Service Telephone Company is primarily engaged in the regulated business of providing local exchange telephone service to seven exchanges in central Georgia.

Public Service Air, LLC, a wholly owned subsidiary of Public Service Towers, Inc. once owned an aircraft, hanger facilities and air related property. Both the Hanger and Aircraft were sold in July 2014.

Flint Cable TV, Inc. provides Cable Television and Broadband Service to cities in central Georgia including Reynolds, Roberta, Butler, Buena Vista, Culloden, Yatesville, a portion of the non-incorporated areas in Northeast Crawford County and a small portion of Macon – Bibb County.

Public Service Data, Inc. provides Internet connection services via DSL, CBOL, and Dialup in areas that overlap the Public Service Telephone service area.

Public Service Towers, Inc. owns towers in parts of Alabama and Georgia that are leased to communications companies and associated properties.

Public Service Cellular, Inc. provided wireless telephone service to cities in central Georgia and eastern Alabama until it was sold on February 28, 2005. Areas served included the Public Service Telephone service area, Thomaston, GA; Americus, GA; Columbus, GA; Auburn, AL; Opelika, AL; Lanett, AL; West Point, GA; LaGrange, GA; Newnan, GA; Manchester, GA; etc. Public Service Cellular sold most of its assets to Alltel.

Public Service Cellular Aviation, Inc. at one time held the ownership in the company's aircraft. As of June 30, 2013, it had no assets.

Public Service PCS acquired FCC licenses, which were subsequently transferred to Public Service Cellular, Inc. to provide wireless telecommunications services in Columbus, GA, Anderson, SC and Anniston, AL. These licenses were sold as part of the Public Service Cellular, Inc. transaction on February 28th, 2005, and the Sprint transaction on January 30, 2006.

Public Service Wireless, Inc. is a wholly owned subsidiary of Public Service Wireless Services and owns 700 and AWS spectrum licenses. The company is offering Wireless Broadband and VOIP telecommunications services to customers in its service area. Public Service Wireless, Inc. is also a Low Income ETC. Public Service Wireless Services had a 50% partnership, in Enterprise Communications Partnership (ECP), a Sprint Affiliate, prior to it being sold January 30, 2006. ECP provided wireless personal communications services ("PCS") in areas, which included Dothan, AL; Opelika, AL; Albany, GA; LaGrange, GA; and Columbus, GA. Public Service Wireless Services, Inc. sold the AWS spectrum licenses to Verizon Wireless on February 17, 2022, and June 9, 2022.

Forsyth CableNet, LLC provides Cable Television, VOIP and Broadband Telecommunications Services to customers in Forsyth, GA, and an increasing number of unincorporated areas of Monroe County.
