XOOM Energy Georgia, LLC
Docket No. 12897
Universal Service Fund – Low-Income Emergency Assistance

I, Kevin Cole, Vice President of XOOM Energy Georgia, LLC, hereby certify the following pursuant to the Georgia Public Service Commission's Final Order issued October 22, 2025 in Docket No. 12897:

1. XOOM Energy Georgia, LLC received Universal Service Fund (USF) dollars from Atlanta Gas Light Company (AGL) to be applied to customers enrolled in the Senior Citizen Discount Program, consistent with the Commission-approved motion.

2. The funds were applied to eligible customer accounts on their November 2025 invoices. Each qualifying customer received a $193.92 bill credit, including a bill message identifying the source of the credit as directed by AGL.

3. Customer Care representatives were provided with talking points for any inquiries regarding the credits.

4. Credits remained on each customer's account until fully used, in accordance with the Order's requirement that credits continue until depleted.

5. This report certifies that XOOM Energy Georgia, LLC applied all USF dollars exactly as required by the Final Order.

Respectfully submitted,

_____
