RE: Docket No. 12897, Low-Income Assistance

Dear Executive Secretary Tanner,

In the above referenced docket, the Public Service Commission of Georgia ordered Natural Gas Marketers to file reports with the Commission certifying they have applied the USF dollars as provided for in this docket. NextEra Energy Services Georgia, LLC does not serve residential customers and did not receive or disperse any USF dollars as allocated in the October 22, 2025, Order.

Thank you for your assistance with this matter. Please contact me at (667)-429-5689 or regulatory@nexteraenergyservices.com if you have any questions or need additional information.

Sincerely,

Melissa Lauderdale
