Re: Georgia Power Company's CARES 2023 Utility Scale Request for Proposals, End of Process Standards of Conduct Acknowledgment and Final Evaluation Team List; Docket No. 45084

Dear Ms. Tanner:

Georgia Power Company's ("Georgia Power" or the "Company") CARES 2023 Utility Scale Request for Proposals ("CARES 2023 US RFP"), approved by the Georgia Public Service Commission (the "Commission") on December 12, 2023, has concluded. Georgia Power hereby submits the final Evaluation Team List thereby closing out the standards of conduct for the CARES 2023 US RFP.

In accordance with Commission Rule 515-3-4-.04(3)(d), and pursuant to Georgia Power's CARES 2023 US RFP, enclosed for filing are the Evaluation Team End of Process Standards of Conduct Form, including the Acknowledgement each team member was asked to sign, and the Final CARES 2023 US RFP Evaluation Team list. Every effort was made to contact members of the Evaluation Team who are now either retired or who have left Southern Company or Georgia Power employment (as indicated on the final Evaluation team List) and despite best efforts, those Evaluation Team End of Process Standards of Conduct Acknowledgments were not obtained. This filing constitutes the final filing for the CARES 2023 US RFP Evaluation Team.

Please contact me at (404) 885-3779 if you have any questions regarding this filing.

Best regards,

Allison W. Pryor
