Countywide Safety Plan for Meriwether	**Docket No. 29309**

AMENDED JOINT PETITION OF ATLANTA GAS LIGHT COMPANY, LIBERTY UTILITIES, AND CITY OF GRANTVILLE FOR APPROVAL TO AMEND THE COUNTYWIDE SAFETY PLAN FOR MERIWETHER COUNTY AND WAIVE THE HEARING REQUIREMENT

Atlanta Gas Light Company ("AGL"), Liberty Utilities (Peach State Natural Gas) Corp. ("Liberty"), and the City of Grantville ("Grantville") file this Amended Joint Petition with the Georgia Public Service Commission ("Commission"), requesting that the Commission approve the proposed amendment to the Meriwether Countywide Safety Plan ("Meriwether CWSP") under Commission Rule 515-9-7-.01(4).

INTRODUCTION

On June 4, 2012, the Commission approved the Meriwether CWSP, establishing safety boundaries within Meriwether County between the natural gas distribution systems of AGL and the City of Manchester ("Manchester"). Thereafter, in 2018, Liberty purchased Manchester's natural gas distribution system in Meriwether County, and the Commission approved an amendment to the Meriwether CWSP on June 5, 2018, along with Liberty's Certificate of Public Convenience and Necessity ("CPCN"). On August 21, 2024, AGL and Liberty filed a Joint Petition

to Amend the Meriwether CWSP and individually filed applications to amend their respective CPCNs.

Under the current CWSP, there are unserved and unassigned areas within Meriwether County. AGL and Liberty, the current operators in Meriwether County, have worked in good faith with Grantville to divide the unserved and unassigned area within Meriwether County, so that any new customers will be able to receive natural gas service in a timelier manner. Dividing the currently unserved and unassigned territory will prevent the creation of duplicative gas systems in the future and reduce the number of approvals necessary to expand into an area that is currently unassigned. As part of this process, AGL, Liberty, and Grantville propose revisions to: (1) add Grantville to the Meriwether CWSP; (2) the current Boundary 1; (3) propose a new Boundary 2 between AGL and Liberty to expand AGL's and Liberty's territories to include the currently unassigned territory; and (4) propose a new Boundary 3 between Liberty and Grantville to expand Liberty's territory and to provide Grantville territory to include the currently unassigned territory. A copy of the proposed Meriwether CWSP is attached hereto as Exhibit 1. Also, AGL, Liberty, and Grantville request that the Commission waive the hearing requirement set forth in Commission Rule 515-9-7-.01(4).

CITATION TO AUTHORITY

The Commission has the authority to amend a Countywide Safety Plan ("CWSP") under Commission Rule 515-9-7-.01(4). Rule 515-9-7-.01(4) provides that "[a]fter adoption of a Natural Gas Safety Plan by the Commission, any Operator in the county may petition the Commission to amend, or the Commission may on its own motion initiate proceedings to amend, the Natural Gas Safety Plan." The Rule requires that the Operator(s) proposing to amend the CWSP "shall provide notice to every Operator with a natural gas Distribution System in the county of its proposed

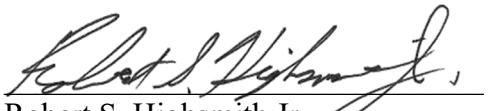

amendment and shall work in good faith with the existing Operator or Operators to file a jointly proposed amendment with the Commission." Ga. Comp. R. & Regs. 515-9-7-.01(4). AGL, Liberty, and Grantville have worked together in good faith to jointly file this Petition. There are no other Operators in Meriwether County.

CONCLUSION

Based on the foregoing, AGL, Liberty, and Grantville respectfully request that the Commission approve this Amended Joint Petition to amend the Meriwether CWSP and waive the hearing requirement under Commission Rule 515-9-7-.01(4).
