Applicant submits that the financing arrangement is exempt from the approval provisions of O.G.C.A. § 46-2-28 as the financing arrangement is an interstate transaction, as evidenced by the following: (1) Applicant, a Georgia certificated competitive local exchange company, is a wholly-owned subsidiary of parent, LiveOak Fiber Holdings LLC ("Holdings"), headquartered outside of Georgia; (2) the financing arrangement is by and between Holdings, the parent company, the Applicant, the primary obligor, and the Lenders, the financial institutions licensed or authorized to enter into such debt transaction by a federal agency; and (3) Applicant, as a local exchange company, is providing collateral over all or substantially all of its assets to Lenders in order to accommodate the debt transaction.

III. REQUEST FOR APPROVAL TO ENTER INTO THAT CERTAIN FINANCING ARRANGEMENT

Following consummation of the financing arrangement, the Applicant will continue to provide high-quality communications services to its customers without interruption and without immediate change in rates, terms, or conditions.
