WALTON EMC NATURAL GAS CARBON OFFSET GEORGIA REPORT

Comes now, WALTON EMC NATURAL GAS ("Walton Gas") and in compliance with the Georgia Public Service Commission's ("Commission") "Order Approving Green Mountain Energy Company Interim Certificate of Authority" (the "Order") files its Carbon Offset Georgia Report for calendar year 2025, showing the Commission, as follows:

a. The name of the carbon neutral, zero carbon, or carbon offset program.

   Walton Gas did not have a carbon offset, carbon neutral or zero carbon program in any form in 2025.

b. How long has the program been in place?

   Walton Gas has not had such a program in place.

c. Has the program had any changes since the end of the previous calendar year?

   n/a, see response to (a), above.

d. Provide a PowerPoint demonstrating how the program operates.

   n/a, see response to (a), above.

e. How many customers were participating by the end of the prior calendar year?

n/a, see response to (a), above.

f. Therms of natural gas sold in Georgia related to the program.

n/a, see response to (a), above.

g. Revenues generated related to the program.

n/a, see response to (a), above.

h. The dollar amount of carbon offsets purchased related to the therms of natural gas sold in Georgia.

n/a, see response to (a), above.

i. The volume of CO2 that was offset related to the natural gas sold in Georgia and the dollar amount of carbon offsets purchased.

n/a, see response to (a), above.

j. Is this program included in the marketer's current Terms of Service?

n/a, see response to (a), above.

k. A list of the certified organization(s) selling and verifying the carbon offsets.

n/a, see response to (a), above.

l. A list of the projects that are providing the offsets, including a detailed description.

n/a, see response to (a), above.

m. Sworn affidavit by a corporate officer of the certificated marketer.

See Attached.
