Re: Request for Commission Approval of a Consent to Change of Control Between Georgia Power Company; GA Solar 5, LLC; and BII BID Solar II Aggregator, LP
Docket No. 56181

Dear Ms. Tanner:

On September 4, 2025, the Georgia Public Service Commission (the "Commission") certified the executed Energy Only Power Purchase Agreement for CARES 2023 Utility Scale RFP at Old Hickory (the "PPA") between Georgia Power Company ("Georgia Power") and GA Solar 5, LLC ("GA Solar 5") dated as of May 21, 2025. GA Solar 5 and its parent company, Pine Gate Renewables, LLC ("Pine Gate"), and certain of their affiliates filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code on November 6, 2025, in the United States Bankruptcy Court for the Southern District of Texas. Subject to Georgia Power's consent, GA Solar 5 is undergoing a Change of Control Transaction resulting from an acquisition of all of the issued and outstanding limited liability company interests of GA Solar 5 by BII BID Solar II Aggregator, LP.

Pursuant to Section 18.1.5 of the PPA, Georgia Power's consent to the Change of Control Transaction is required prior to the consummation of the transaction. Georgia Power has negotiated the appropriate document to provide Georgia Power's consent to the Change of Control Transaction and has provided a copy of the Consent to the Commission Staff. Georgia Power hereby requests the Commission's approval of Georgia Power's Consent to the Change of Control transaction.

Please call me at (404) 885-3779 if you have any questions regarding this filing.

Best regards,
