Subject: **Request for Relinquishment of Certificates – Commnet Rural America and Commnet Wireless**

To Whom It May Concern:

I am writing on behalf of **Commnet Rural America** and **Commnet Wireless** to formally request the **relinquishment of their respective certificates** currently on file with the Georgia Public Service Commission. Certificate Number #L-0584

Commnet Rural America has been fully decommissioned, and the entity no longer provides telecommunications services within the State of Georgia. Commnet Wireless has likewise ceased operations in the state. As these entities are no longer active service providers, we respectfully request that the Commission withdraw and close the associated registrations and certificates on record.

Please confirm any additional documentation or procedural steps required to complete this relinquishment. We will promptly provide any further information needed to finalize the withdrawal.

Thank you for your attention to this matter. We appreciate your assistance and look forward to your confirmation.

Sincerely,

Shannon Temple
