Camden Telephone and Telegraph Company, Inc. ("Camden Telephone") hereby files this Statement for Trade Secret Protection for Camden Telephone's Financial Data, including all associated work papers pursuant to Section 515-3-1-.11 of the Rules of the Georgia Public Service Commission ("PSC"), and states as follows:

1. Rule 515-3-1-.11 requires that a party claiming that information constitutes a trade secret provide, in writing, that basis of this claim. Rule 515-3-1-.11(c) specifically requires that this statement detail (1) the economic benefit derived from the information not being generally known; (2) the economic benefit to others if disclosure were to occur and (3) the procedures utilized to maintain confidentiality. Camden Telephone is submitting this statement in accordance with the Commission's rules requiring submission of financial data associated with the Annual Filing Form M. The expenses and revenues and other financial information included are trade secret.

2. The subject trade secret material is financial data, including all associated workpapers, related to the Annual Report and Filing of Form M.

The release of this expense and revenue information would disadvantage Camden Telephone by providing its competitors an unfair competitive advantage by disclosing data regarding Camden Telephone's customers and finances that is not generally known and would not be readily ascertainable to third parties by any proper means. Camden Telephone takes all appropriate and legal measures to

ensure that such information is disseminated internally only to those with a need to know, and that all public measures are taken to protect the information when it is required to be filed in a public forum.

4. Release of Camden Telephone's proprietary customer information to the general public would provide Camden Telephone's competitors an unfair advantage in a competitive market.
