APPLICATION OF GEORGIA WAND EDUCATION FUND INC.
FOR LEAVE TO INTERVENE

NOW COMES Georgia WAND Education Fund Inc. (Georgia WAND) and pursuant to O.C.G.A. §§ 50-13-14 and 46-2-59, and Rule 515-2-1-.06 of the Rules of the Georgia Public Service Commission, files this application for leave to intervene in the above-referenced proceeding. In support of this application Georgia WAND shows the Commission the following:

I.

Georgia WAND is a statewide nonprofit organization dedicated to advancing nuclear harm reduction, environmental protection, and climate and social justice. Through community engagement, policy advocacy, and coalition leadership, we work to protect the health, safety, and economic well-being of Georgia residents—particularly those in frontline and overburdened communities disproportionately impacted by energy infrastructure and utility decisions.

II.

Georgia WAND engages thousands of Georgians across both urban and rural communities, including ratepayers served by Georgia Power. Our members, staff, and the communities we represent are directly affected by decisions of the Commission, including those related to fuel cost recovery, rate design, and utility accountability. These proceedings have real and immediate implications for energy affordability, public health, and environmental outcomes across the state.

III.

Georgia WAND has a substantial interest in ensuring that this process is transparent, equitable, and grounded in the public interest. We are particularly concerned with how fuel costs are incurred, allocated, and passed on to ratepayers, and whether those costs reflect prudent utility practices and long-term planning aligned with a just transition to clean energy. Accordingly, Georgia WAND seeks to intervene in this proceeding to represent the interests of its members and the broader public, to advocate for fair and reasonable outcomes, and to ensure that Georgia's energy future prioritizes affordability, reliability, and the health and well-being of all

communities. All communications regarding this proceeding should be directed to Georgia WAND for the attention of the following name and address:

IV.

WHEREFORE, Georgia WAND respectfully requests that the Commission grant its application to intervene in the above-captioned docket, thereby allowing Georgia WAND to participate fully as a party of record.

V.

Georgia WAND designates the following person to receive all notices, correspondence and filings in the above docket and to be placed on the official service list in this proceeding:
