RE: Preferred Long Distance, Inc. Advice Letter No. 25

Dear Ms. Tanner:

Preferred Long Distance, Inc. ("Preferred") requests withdrawal of its Georgia Switched Exchange Access Price List, Georgia P.S.C. Tariff No. 3, effective immediately.

Preferred's request is predicated on the Company's decision to cease intercarrier compensation – access charge - assessments to interconnecting carriers as part of its IP-enabled service transition, and in anticipation of the Federal Communications Commission's proposed elimination of intercarrier compensation.[1]

Thank you for your attention to this matter. Questions may be addressed to the undersigned.

Sincerely,

MILLER ISAR, INC.
