Dear Ms. Tanner,

Georgia Power Company ("Georgia Power" or the "Company") provides notice to the Georgia Public Service Commission ("Commission") that construction of the Closed Ash Pond Demonstration Project is now complete. In accordance with the Commission's August 2, 2016 Order Adopting Stipulations in Docket No. 40161, the Company was required to file with the Commission quarterly construction monitoring reports for the Closed Ash Pond Demonstration Project. Georgia Power complied with this requirement throughout the construction process. Now that the Closed Ash Pond Demonstration Project is complete, the Company's obligation to file quarterly construction monitoring reports has been satisfied.

Please call me at (404) 506-7106 or Cheryl Johnson at (404) 506-6837 if you have any questions regarding this filing.

Sincerely,

/s/ Jeremiah Haswell
