Should the Commission receive a request for disclosure of any "TRADE SECRET" material, you will be notified, if after review, the materials and your provided justification are deemed not to meet any exemptions provided in the Georgia Open Records Act. You may appeal the Commission's decision to release material at that time. Your appeal will stay the release of those materials until a final decision is made.

---

Good morning, Lee.

I hope this message finds you well this cold December morning. I am sure you are preparing for the upcoming weather changes as we all are. I am actually looking forward to the cold weather. It's my favorite season and I prefer the COLD!

Anyway, Greg has asked me to send you a statement or invoice of sorts showing the expenditure usage of mailing services. I see there were thirty-three (33) pieces of mail that went out at .74 cents each, which gives us a total of $24.42. Greg has given me the account # 4520.7570 to cross-charge so I will go ahead and take care of that today. I have also attached a copy of a graph statement that I hope will suffice and I will attach it to the cross-charge doc as well. If you have any questions, please do not hesitate to reach out.

Thank you and have a wonderful day.

Kind regards
