Joint Application of EMC Natural Gas, Inc.
And the Texican Natural Gas Company for Leave to Intervene

COMES NOW, the EMC Natural Gas, Inc., dba True Natural Gas (hereafter "True Natural Gas" or "True") and Texican Natural Gas Company (hereafter "Texican"), pursuant to O.C.G.A. §§ 50-13-14 and 46-2-59 and Commission Rule 515-2-2.06, and hereby file this Joint Application to Intervene (hereafter "Application") in the above-referenced docket. In support hereof, True Natural Gas and Texican respectfully show as follows:

1.

On April 6, 2026, SCANA Energy Marketing, LLC (hereafter "SCANA") filed a complaint in Docket 56177 against Atlanta Gas Light Company (hereafter "AGL") seeking relief from Operational Flow Order ("OFO") imbalance penalties allocated to SCANA and other natural gas marketers.

2.

In response Atlanta Gas Light Company filed its Motion to Dismiss SCANA Energy Marketing, LLC's Complaint Against Atlanta Gas Light Company, on May 6, 2026.

3.

True Natural Gas has been a Georgia certified natural gas marketer since 2002, and only serves firm customers. True's corporate office is in Palmetto, Georgia. In furtherance of its interests and those of its customers, True has intervened in numerous proceedings before the Commission since 2002.

4.

True Natural Gas has an interest in SCANA's complaint filed against AGL resulting from the OFO imbalance penalties allocated to SCANA and other gas marketers including True. The significant imbalance penalties imposed upon True directly impacted its finances and rates charged its customers. True seeks to intervene in these proceedings to continue to protect its interests and the interests of its customers, and to advocate for reforms and improved procedures to prevent any future OFO imbalance penalties being imposed.

5.

Texican Natural Gas Company is an asset manager for Walton EMC Natural Gas and CENNAT Inc, doing business as Fuel Georgia. Texican's corporate office is in Atlanta, Georgia. In furtherance of its interests and those of its customers, Texican has intervened in numerous proceedings before the Commission since 1998.

6.

Texican has an interest in SCANA's complaint filed against AGL resulting from the OFO imbalance penalties allocated to SCANA and other gas marketers including Texican's customers Walton EMC Natural Gas and CENNAT, Inc. The significant imbalance penalties imposed upon Texican's customers directly impact their finances and rates charged their customers. Texican seeks to intervene in these proceedings to

continue to protect its interests and the interests of its customers, and to advocate for reforms and improved procedures to prevent any future OFO imbalance penalties.

7.

The interests of True Natural Gas and Texican are not adequately represented by other parties to this proceeding. Texican and True's intervention will not unduly delay the proceeding or prejudice the rights of other parties. If their application is granted, Texican and True intend to fully participate in the docket.

8.

True and Texican request the following persons receive all notices, correspondence, pleadings and copies of orders and other materials in these dockets, and that all communications regarding these dockets be directed to them:
