   Additional Comments: As the City of Cairo respects and appreciates the concerns and opinions of the PSC we are committed to pipeline safety and compliance along with the safety of our employees and citizens, the current administration is dedicated to these facts. We strive and understand there is always room for growth and learning in the ever-changing rules and regulations that are involved with the Natural Gas Industry. It is only when personal opinions are injected that the mission becomes unclear, the incident that occurred in 2010 was an extremely unfortunate accident and the City of Cairo did in fact learn from the mistakes that were made that fateful day. The City of Cairo has put forth solid efforts to improve our standards of compliance to go above and beyond the minimum requirements of regulatory compliance as has been told to the City Staff by the PSC Inspectors.

E. Response for **Observed Issue** and **No Violation**: (Optional Response)
Staff requests that the Operator acknowledge receipt of the Observed Issue/No Violation in writing, or by submitting an email to the FPU Director

Filings:

For all written responses or any other official correspondence, the Operator shall file the response at the following address:

Hearing Requests:

The Operator has the right to request a hearing before the full Commission to contest the alleged probable violations, recommended civil penalties, and all other proposed actions of enforcement. A request for a hearing must be submitted in writing and in accordance with Commission Rule 515-2-1-.04. The Operator must include a statement of the issues that you intend to raise at the hearing. The issues may relate to the allegations, new information, proposed compliance order, proposed civil penalty, or any other recommendation for enforcement action. Please refer to Commission Rule 515-9-3-.11 and O.C.G.A. § 46-2-91 for assessment considerations upon which civil penalties are based. An operator's failure to specify an issue may result in a waiver of the right to raise that issue at hearing. The request must also indicate whether or not the Operator will be represented by counsel at the hearing.

Open Records and Trade Secret Filings:

The Operator is advised that any material provided to the Commission, and all materials prepared by the Commission, including the Notice of Probable Violations and any Orders issued in this case, may be considered public information and subject to disclosure under the Georgia Open Records Act (O.C.G.A. § 50-18-70 et seq.). If you believe that any portion of your response material is security sensitive, privileged, confidential or may cause your company competitive disadvantages and would qualify for protection under the Commission's "Trade Secret Rule" (Commission Rule 515-3-1-.11), you must, along with the complete original document clearly marked "TRADE SECRET" on each page, provide a second copy of the document with the portions you believe qualify for trade secret treatment redacted, and an explanation of why you believe the redacted information qualifies for such trade secret treatment. Should the Commission receive a request for disclosure of any "TRADE SECRET" material, you will be notified, if after review, the materials and your provided justification are deemed not to meet any exemptions provided in the Georgia Open Records Act. You may appeal the Commission's decision to release material at that time. Your appeal will stay the release of those materials until a final decision is made.
