Good morning, Lee.

I hope this message finds you well this cold December morning. I am sure you are preparing for the upcoming weather changes as we all are. I am actually looking forward to the cold weather. It's my favorite season and I prefer the COLD!

Anyway, Greg has asked me to send you a statement or invoice of sorts showing the expenditure usage of mailing services. I see there were thirty-three (33) pieces of mail that went out at .74 cents each, which gives us a total of $24.42. Greg has given me the account # 4520.7570 to cross-charge so I will go ahead and take care of that today. I have also attached a copy of a graph statement that I hope will suffice and I will attach it to the cross-charge doc as well. If you have any questions, please do not hesitate to reach out.

Thank you and have a wonderful day.

Kind regards
