Re: Irwin EMC Work Plan Loan

Dear Ms. Tanner:

Irwin EMC is in the process of closing a new loan in the amount of $32,600,000.00 with USDA/RUS. This will be for a term of thirty years. The loan rate may range from 5.00% to 5.99%, depending upon the maturity selected.

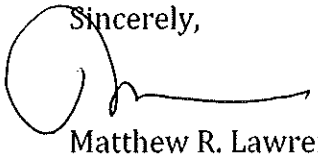

Irwin EMC is authorizing Georgia Electric Membership Corporation to hereby represent and file, on behalf of Irwin EMC, all documents related to this loan with the Georgia Public Service Commission. We are submitting one copy of the following list of loan documents for the Georgia PSC's approval:

1. Irwin EMC cover letter to Georgia Public Service Commission;
2. Answer to Stranded Cost Questions;
3. Loan Summary Document;
4. Irwin EMC Board resolution authorizing the loan;
5. Loan Agreement (unexecuted);
6. Loan Commitment Letter (RUS)
7. Unexecuted Restated Mortgage;
8. Work Plan (Form 740C);
9. 2025 Independent Audit Report;
10. Latest Financial Statistical Report; and
11. Form 7 (A and C).

Please file this application with the Georgia Public Service Commission and provide me the docket number. It is my understanding that it is no longer necessary to provide hard copies of the documents to the Public Service Commission for the record room file. If that is incorrect, please let me know.

Thank you kindly for your assistance with this matter. I look forward to speaking with you soon.

Sincerely,

Matthew R. Lawrence
