RE: **Docket No. 36946 –** Eligible Telecommunications Carrier Repository Docket

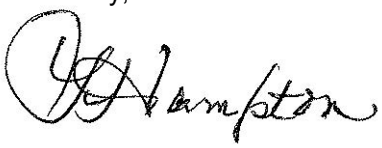

Dear Ms. Tanner:

On behalf of Brightspeed of Georgia, LLC, Study Area Code 220356, we are filing a copy of the FCC Form 481 – Carrier Annual Reporting Data Collection form in compliance with 47 C.F.R. §54.22(c). Brightspeed of Georgia, LLC is a Lifeline-Only Eligible Telecommunications Carrier (ETC) in the state of Georgia. While the Federal Communications Commission (FCC) eliminated the requirement for ETCs receiving high-cost universal service support to file duplicate copies of the FCC Form 481 with state commissions, Lifeline-only ETCs are still subject to this requirement.

The FCC Form 481 has also been filed with the Universal Service Administrative Company and the FCC.

Please contact me at lynette.hampton@bakertilly.com or 512-652-7725 if you have any questions regarding this filing.

Sincerely,

Lynette Hampton
Authorized Representative for
Brightspeed of Georgia, LLC

LINE 1210 – TERMS & CONDITIONS OF VOICE TELEPHONY LIFELINE PLANS

Brightspeed of Georgia, LLC
Study Area Code 220356

Residential customers of Brightspeed of Georgia, LLC ("the Company") residing in non-Tribal areas who qualify for the Lifeline program receive a federal discount on local voice telephony service of $6.50 plus any applicable state Lifeline discount. (The $6.50 federal discount consists of the $5.25 federal Lifeline program discount + the $1.25 difference between the Lifeline discount and the federal Subscriber Line Charge ("SLC")).

Residential customers residing on Tribal lands who qualify for the Lifeline program receive a federal discount on local voice telephony service of up to $30.25 plus any applicable state Lifeline discount. However, the total credit may not result in a rate of less than $0 for the charges against which the credit is applied (basic residential rate + state regulated fees + the federal SLC).

The Company's rates, terms and conditions for local voice service are available at: https://www.brightspeed.com/content/dam/brightspeed/tariffpdfs/ga_bs_ga_loc_terms.pdf

All single-line residential customers, including Lifeline customers, have an unlimited number of minutes for calls made within the local calling area.

For calls outside of the local calling area, Lifeline customers may subscribe to unlimited nationwide long distance service offered by the Company's affiliate, Brightspeed Broadband, LLC, at a non-discounted rate of $5.00 per month, or they may choose a different long distance calling plan. Lifeline customers may also choose a different carrier. Lifeline customers may elect to subscribe to toll blocking at no charge.

Lifeline customers who have a past due balance in toll charges will be automatically restricted from access to toll services until the outstanding balance is paid. The customer will not be charged for the toll restriction.

Lifeline program reductions do not apply to additional services such as custom calling features. Lifeline customers may subscribe to these services, where available, at the same rates offered to other customers.

Lifeline customers may also subscribe to any generally available bundled service offering that includes local voice telephony service.

The Company's terms of service for the Lifeline program can be found on its website at: https://www.brightspeed.com/content/dam/brightspeed/tariff/LTOS_Lifeline_Assistance.pdf.
