Re: Georgia Power Company's Application for the Certification of Capacity from the 2029-2031 All-Source RFP, Docket No. 56298; and Georgia Power Company's Application for the Certification of Capacity Supplemental Resources, Docket No. 56310

Dear Ms. Tanner:

On December 30, 2025, the Georgia Public Service Commission ("Commission") issued its Order Adopting Stipulation and Granting Certification of Capacity from the 2029-2031 All-Source RFP and Supplemental Resources for 2028-2031 Capacity ("All-Source Certification Order"). Pursuant to Paragraph 8 of the Stipulation approved in the All-Source Certification Order, Georgia Power Company ("Georgia Power" or the "Company") and the Commission Public Interest Advocacy Staff ("PIA Staff") agreed to work collaboratively to investigate the potential benefits of load flexibility.

Enclosed for filing is the Compliance Report, which describes the steps Georgia Power and PIA Staff have taken to comply with the requirements of the All-Source Certification Order.

If you have any questions regarding this filing, please call me at (404) 885-3475.
