RE: REQUEST BY OASIS INFRASTRUCTURE GROUP, LLC. FOR AN APPLICATION FOR CERTIFICATE OF AUTHORITY TO PROVIDE LOCAL EXCHANGE SERVICES IN THE STATE OF GEORGIA

Dear Mr. Bowles:

Please find this letter to provide clarification of Services named on the initial filing of the Oasis Infrastructure Group, LLC. Application.

The Applicant is requesting a Certificate of Authority to Provide Competitive Local Exchange Services (re-sold and facilities based) only within the state of Georgia. The Applicant will not be providing any Interexchange Services to business Customers in the state and does not seek approval from the Commission for Interexchange services.

Additionally, please disregard the tariff which had been included with the initial Application filing that denotes and provides detail related to any form of Interexchange Services since the Applicant will not be providing those services.

Should you have any questions regarding this letter or you require any additional information, please contact me at (973)-760-9218 or by email at laura.garfinkel@claconnect.com.

Respectfully Submitted,
