Re: Blue Stream Communications, LLC - Application for Certificate of Authority to Resell Interexchange Telecommunications Service (Reseller)

Dear Ms. Tanner:

Enclosed with this letter is Blue Stream Communications, LLC's ("Applicant's") application for a certificate of authority to resell interexchange telecommunications service in Georgia ("Application").

Pursuant to GA. Comp. R. & Regs. r. 515-3-1.11, Applicant respectfully requests trade secret protection of **TRADE SECRET Exhibit D, "Anticipated Costs of Facilities, and TRADE SECRET Exhibit F, "Financial Statements"** (the "Trade Secret Exhibits") to the Application, submitted as Trade Secret attachments in the Alternative e-File system. The Trade Secret Exhibits contain business and financial information that is trade secret confidential, sensitive, and proprietary. Therefore, Applicant respectfully requests that the Commission protect the Trade Secret Exhibits as trade secret and not release it to the public without its express consent (except as provided for under GA. Comp. R. & Regs. r. 515-3-1.11). In support, Applicant encloses a copy of the Request for Trade Secret Treatment supported by an affidavit.

If you have any questions or need further information, please feel free to contact Victor Noriega at 404-885-3037 or Victor.Noriega@troutman.com.

Respectfully submitted,

/s/ Jeff Strenkowski

/s/ Victor M. Noriega

TRADE SECRET STATUS AFFIDAVIT
GEORGIA PUBLIC SERVICE COMMISSION
BLUE STREAM COMMUNICATIONS, LLC
APPLICATION FOR CERTIFICATE OF AUTHORITY TO
RESELL INTEREXCHANGE TELECOMMUNICATIONS SERVICE (RESELLER)

All documents, data, letters and generated information received by the State constitutes a "public record" and is subject to disclosure under the Georgia Open Records Act ("GORA"). O.C.G.A. § 50-18-70 *et seq.* However, pursuant to O.C.G.A. § 50-18-72(a)(34), "[an] entity submitting records containing trade secrets that wishes to keep such records confidential under this paragraph shall submit and attach to the records an affidavit affirmatively declaring that specific information in the records constitute trade secrets pursuant to Article 27 of Chapter 1 of Title 10 [O.C.G.A. § 10-1-760 et seq.]."

O.C.G.A. § 10-1-761(4) defines "Trade secret" as "...information, without regard to form, including, but not limited to, technical or nontechnical data, a formula, a pattern, a compilation, a program, a device, a method, a technique, a drawing, a process, financial data, financial plans, product plans, or a list of actual or potential customers or suppliers which is not commonly known by or available to the public and which information:

A. Derives economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use; and

B. Is the subject of efforts that are reasonable under the circumstances to maintain its secrecy."

Therefore, the information listed below and attached hereto, that are submitted with Blue Stream Communications, LLC's (the "Applicant") application to the Georgia Public Service Commission for a Certificate of Authority to resell interexchange telecommunications service (the "Application") are marked as trade secret pursuant to O.C.G.A. § 10-1-761(4) and Ga. Comp. R & Regs. 515-3-1-.11:

- The entirety of Trade Secret Exhibit D to the Application, "Anticipated Costs of Facilities."
- The entirety of Trade Secret Exhibit F to the Application, "Financial Statements."

The foregoing information in the Application shall be marked as trade secret and withheld from the Georgia Open Records Act because:

1. It includes business and financial information that is trade secret confidential, sensitive, and proprietary;

2. Applicant would suffer economic and competitive disadvantage if other persons who can obtain economic value from its disclosure access this information, which is not readily ascertainable by proper means; and

3. Applicant and its affiliated entities have taken steps to maintain this type of information as trade secret, including by not publishing this information publicly and filing it as trade secret/confidential in similar certificate of authority applications in other states.

Under penalty of perjury, acknowledging that O.C.G.A. §16-10-71 provides a penalty of a fine of up to $1,000 and potential imprisonment of one to five years, I attest that the specific information in the records listed above constitutes trade secrets pursuant to O.C.G.A. § 10-1-761(4), and request that the State of Georgia and the Georgia Public Service Commission not disclose this protected information under GORA and Ga. Comp. R & Regs. 515-3-1-.11.

PROFILES OF APPLICANT'S MANAGEMENT TEAM

Gavin Keirans – Chief Executive Officer

Gavin serves as the Chief Executive Officer for Blue Stream Fiber, having previously held executive roles as Vice President of Altice USA (Fortune 500 telecom) and Vice President of The Madison Square Garden Company. He also led ROX Strategy, guiding the firm to Inc. 5000 recognition as one of the fastest-growing companies in the U.S. In addition, he has significant management consulting experience from Accenture's Strategy practice, as well as being a Partner for ROX Strategy, where he led turnaround operations for multiple private equity portfolio companies and publicly traded firms. In 2004, Gavin was named to the Cablefax 100, recognizing top executives in the industry. Gavin earned a degree in Business, Management from Penn State University.

Cristy Villazan – Chief People Officer

Cristy is responsible for all people strategies across the entire business. Cristy has over 25+ years of progressive leadership experience, including roles at Charter Communications and Network Connex. In each of her roles, she redefines the employee experience through team building, operational efficiency, and a relentless focus on finding, growing, and keeping talent, to drive cultural transformations. Cristy earned degrees in Industrial/Organizational Psychology and Corporate Communications from DePaul University. She is certified as a Senior Professional in Human Resources (SPHR).

John Jacobi – Chief Financial Officer

John brings over 30 years of diverse financial leadership experience to the role, including holding the Chief Financial Officer position for multiple companies. John most recently served as Chief Financial Officer of iQor, where he helped lead the company to a successful sale to a private equity firm in 2024. He is a business leader with broad experience in finance, business strategy, sales, and operations. John earned a degree in Accounting from Villanova University and an MBA with emphasis in Finance from Duke University – The Fuqua School of Business.

Iain Urquhart – Chief Revenue Officer

Iain leads the company's go-to-market strategy and execution. His areas of responsibility span sales, marketing, and revenue operations, ensuring seamless alignment to drive sustainable growth. A transformational leader, Iain brings deep expertise in scaling revenue and guiding organizations through strategic shifts—from traditional product-centric models to as-a-service capabilities and solution-based offerings. Known for his pragmatic mindset and ability to simplify complexity, he combines a sharp operational focus with a genuine passion for people, process, and technology. Before joining Blue Stream Fiber, Iain held the role of Executive Vice President and Chief Revenue Officer at the Chamberlain

Group. His career includes a series of impactful leadership positions at Barco, Oracle, Rackspace, and Microsoft, where he gained extensive experience across sales, marketing, channels, industry strategy, operations, and services. Iain earned bachelor's degrees in History and Communications from the University of Missouri.

Milton Lopera – Chief Customer Officer

Milton is passionate about creating effortless, meaningful connections for customers and employees alike. With over 25 years in telecom, including leadership roles at Altice USA, Charter Communications, and Cablevision, he believes in treating service as a product. He leads teams across customer service, sales, and operations, ensuring every interaction is exceptional. A visionary leader, Milton is dedicated to delivering outstanding experiences, fostering strong relationships, and driving operational excellence. Milton has completed executive leadership courses from the University of Virginia Darden School of Business and Cornell University's School of Industrial and Labor Relations.

Julie Plowman – Executive Vice President & General Counsel

Julie brings more than 25 years of legal leadership and experience in the telecom industry. As General Counsel of Blue Stream Fiber, Julie leads the Legal team and supports growth and scalability across all Blue Stream markets. In prior roles, she focused on strategic sales, contracts management, mergers and acquisitions, and employment law at multiple private and public companies, including providers of long-haul fiber; internet, voice, and data transport; managed services; and others serving the residential, B2B, and carrier markets. Her most recent role was as Vice President and Deputy General Counsel of Uniti Group Inc. and Uniti Fiber. Earlier in her career, Julie held positions at Time Warner Telcom, Broadwing Communications, Cincinnati Bell, and in private practice. Julie earned a Bachelor of Journalism from the University of Missouri and a law degree from The University of Texas.

Eric Burtt – Executive Vice President of Partner Development

Eric leads broadband negotiations with land developers and asset owners across Florida and Texas. With more than 25 years of experience in the broadband industry, Eric brings deep expertise in the multifamily and HOA sectors, where he has built a reputation for driving strategic growth and cultivating long-term partnerships. Eric and his team are focused on creating enduring relationships grounded in trust, accountability, and performance. By consistently meeting commitments and delivering best-in-class services, they help ensure the communities they serve receive reliable, high-quality connectivity solutions. Prior to his current role, Eric served as Senior Director of Strategic Accounts at Comcast and held a national sales leadership role at Verizon. He has also advanced

through progressive leadership positions at Blue Stream Fiber, further strengthening his industry insight and operational leadership. Eric earned a degree in International Marketing from American University and an MBA, Real Estate Finance, from Florida State University.

Brad Feldman – Chief Strategy Officer

Brad brings a wealth of expertise from his tenure at Cablevision Systems (now Altice USA), a Fortune 500 telecom company, where he held multiple executive roles. As Senior Vice President of Product Management, he played a key role in launching industry-leading products and executing highly successful go-to-market strategies. Brad also served as Managing Director at ROX Strategy, helping the firm earn recognition on the Inc. 5000 list as one of the fastest-growing companies in the U.S. Recognized by Multichannel News as part of their "40 Under 40," Brad was celebrated for his contributions to driving growth and shaping the future of multichannel video and telecommunications. He holds a bachelor's degree from Stony Brook University, an MBA from Hofstra University, and is a graduate of CTAM's Cable Executive Management program at Harvard Business School.

Joe Godas – Chief Technology Officer

Joe has held various technology leadership roles over the years at Cablevision, Altice USA, and Charter Communications – providing leadership and oversight for the engineering, design, and creation of technical standards used in Video, High Speed Data, and residential Wi-Fi product offerings. He received multiple honors and awards from the SCTE and holds several patents for broadband and cable related technology used to streamline Internet Service Provider operations and increase customer quality of experience. Joe earned degrees in Business Administration and Business Computer Information Systems from Hofstra University and has continued his professional development through certification programs from The Wharton School, MIT, and Harvard.

Josh Turiano – Chief Innovation & AI Officer

Josh joined the Operations world in 2004 and has worked multiple positions over the years from helpdesk, trainer, and analyst to where he is today. His experience includes almost fifteen years at Atlantic Broadband before joining Blue Stream Fiber in 2021. He is an Officer & VP of the South Florida Society of Cable and Technical Engineers Chapter and in was awarded the BIG Innovation Award 2026 from the Business Intelligence Group for his work and innovation of processes at Blue Stream Fiber. Josh earned a degree in Computer Science from the University of Pittsburgh at Johnstown.

Greg Chamberlain – Executive Vice President of Operations

Greg brings over 20 years of industry experience, having led teams at Hawaiian Telcom, Surewest Communications, AT&T, and WINFirst. His prior work included positions in Network Operations, Service Architecture and Engineering, and Network Engineering. He is passionate about delivering fast, reliable internet — essential for today's remote workforce — and is always focused on finding smarter ways to enhance the customer and employee experience. Greg currently leads the technical operations, safety and risk management, and construction and project management teams. He earned a degree from the University of California, Berkeley.
