OPTIONAL GAS SERVICE

RATE SCHEDULE 850

Availability

This interruptible schedule is available at the Company's option to any large volume user using 270,000 Ccf annually or customers using 1000 Ccf per day during off peak periods; whose premises shall adjoin gas mains designated by Company for optional service and customer shall acknowledge that customer either (a) has adequate standby facilities and fuel, or (b) will endure the losses associated with service disruption. Gas deliveries may be interrupted at any time upon thirty minutes notice. Educational institutions, governmental agencies, hospitals, or other medical facilities shall be eligible for service under this schedule.

Gas service under this schedule is for the use of only one person, or single entity through a single point of delivery unless otherwise agreed upon and such gas shall not be resold.

Character of Service

Natural gas, with a heating value of approximately 100,000 Btu per Ccf, supplied through a single meter, at standard equipment utilization pressure, or such higher delivery pressure as approved by Company.

"Optional Gas" and "Firm Gas" are defined in the General Rules and Service Regulations: Service Regulation 1 – Definitions.

Company is relieved of its obligation to deliver any gas under this schedule in the event of force majeure. Any interruptions which may be necessary under this rate schedule shall be made only after having given at least 30 minutes notice by telephone or otherwise, unless due to reasons of force majeure.

Interruption of Optional Service

Optional gas deliveries to customers served on this schedule may be interrupted at any time such interruption is necessary in order for Company to continue to supply the gas requirements of its other customers at such time. The Company will endeavor to notify in advance customers served on this schedule whenever an interruption is required, and each such customer shall cease use of gas at the time and to the extent requested by the Company. Interruptions may vary from time to time among customers, but shall be as equally apportioned as practicable.

"Unauthorized Use" is defined as the taking of any volume of optional gas by Customer during any period when the use of optional gas is interrupted in accordance with notice given by Company. From the effective date of this tariff, Company shall bill, and Customer shall pay, in addition to the rates that would have been billed under this schedule for authorized use, the higher of: (a) $3 per Ccf for all volumes of unauthorized use gas plus any actual pipeline penalties and charges incurred as a result, or (b) 10 times the daily index cost of gas for all volumes of unauthorized use gas.
