AFFIDAVIT

STATE OF PENNSYLVANIA §
§
COUNTY OF MONTGOMERY §

My name is Josh Runyan. I am Chief Legal Officer of the Applicant Ripple Fiber LLC.

I swear or affirm that I have personal knowledge of the facts stated in this Application for Authority to Engage in Assignment and Transfer of Control Transaction, that I am competent to testify to them. I further swear or affirm that the information contained in Attachment A contains protected information that constitutes a Trade Secret as defined in O.C.G.A. § 10-1-761(4). Pursuant to Ga. Comp. R. & Regs. R. 515-3-1-.11's protection of trade secrets contained in filings to the Commission, Attachment A should be protected in its entirety from public disclosure to avoid significant competitive harm.

Attachment A provides the Merger Agreement that consummates the proposed transaction between Ripple Fiber LLC and Eaton Fiber, LLC (the "Parties"). Attachment A contains confidential financial information, pricing and equity conversion terms, corporate liabilities and covenants, and corporate restructuring strategy. This information affects Ripple Fiber LLC's core functions, disclosure of which would cause substantial competitive injury. Public disclosure would provide competitors, lenders, and other market participants with insight into the Parties' financing capabilities, scope of operations, and negotiating positions. Such disclosure could impair the Parties' ability to negotiate future agreements on favorable terms and could place them at a competitive disadvantage in the provision of telecommunications services in Georgia.

This information has been maintained as confidential by the Parties and has not been publicly disclosed. Access to the information is limited to individuals with a business need to know and is subject to contractual and internal confidentiality protections. The information is not available through public filings or other public sources. As such, I swear or affirm that Attachment A should be filed confidentially and maintained as a trade secret as permitted by Rule 515-3-1-.11.
