AFFIDAVIT

STATE OF PENNSYLVANIA §
§
COUNTY OF MONTGOMERY §

My name is Josh Runyan. I am Chief Legal Officer of the Applicant Ripple Fiber LLC.

I swear or affirm that I have personal knowledge of the facts stated in this Application for Authority to Engage in Assignment and Transfer of Control Transaction, that I am competent to testify to them. I further swear or affirm that the information contained in Attachment B contains protected information that constitutes a Trade Secret as defined in O.C.G.A. § 10-1-761(4). Pursuant to Ga. Comp. R. & Regs. R. 515-3-1-.11's protection of confidential filings, the Commission should protect Attachment B from public disclosure to avoid significant competitive harm.

Attachment B provides the audited balance sheet, income statement, and cash flow statement for Glass Routes LLC, the indirect parent company of Ripple Fiber LLC. This document contains the consolidated financials from January 2026 to May 2026. Accordingly, Attachment B provides confidential financial records, including an itemized breakdown of Glass Routes' assets, income, operating expenses, investing activities, long-term lending and equity obligations, and other proprietary commercial information. This information affects Ripple Fiber LLC's core functions, disclosure of which would cause substantial competitive injury. Public disclosure would provide competitors, lenders, and other market participants with insight into Ripple Fiber's financial standing, scope of operations, and negotiating position. Such disclosure could impair Ripple Fiber's ability to negotiate future agreements on favorable terms and could place it at a competitive disadvantage in the provision of telecommunications services in Georgia.

This information has been maintained as confidential by Ripple Fiber LLC and has not been publicly disclosed. Access to the information is limited to individuals with a business need to know and is subject to contractual and internal confidentiality protections. The information is not available through public filings or other public sources. As such, I swear or affirm that Attachment B should be filed confidentially and maintained as a trade secret as permitted by Rule 515-3-1-.11.
