Re: **Ripple Fiber LLC (f/k/a Open Fiber USA LLC)**
Request to Surrender Certificate of Authority to Provide Competitive Local Exchange Services
No. L-7924 Docket No. 55341

Dear Secretary Tanner:

Ripple Fiber LLC, formerly known as Open Fiber USA LLC ("Ripple Fiber" or the "Company"), hereby respectfully requests that the Georgia Public Service Commission ("Commission") cancel and withdraw the Company's Certificate of Authority to Provide Competitive Local Exchange Telecommunication Services ("CLEC"), No. L-7924, issued in Docket No. 55341, and withdraw any tariffs of the Company on file with the Commission, effective as soon as the Commission can take appropriate administrative action. Ripple Fiber no longer requires the authority granted by the CLEC and does not currently provide or intend to provide regulated telecommunications services to any customers in Georgia pursuant to the CLEC. Accordingly, the CLEC is no longer necessary.

The public convenience and necessity will not be adversely affected by the requested surrender. No customer is currently receiving regulated telecommunications services from Ripple Fiber in Georgia, and therefore no customer will experience any service interruption, disconnection, or other adverse impact as a result of the surrender of the CLEC. Because there are no affected customers, no customer migration or discontinuance notice is necessary. Ripple Fiber is also current with its applicable reporting, fee, and other regulatory obligations to the Commission.

As the CLEC will be surrendered, Ripple Fiber additionally hereby withdraws its Application For Authority to Engage in Assignment and Transfer of Control Transaction filed on August 5, 2026.

Accordingly, Ripple Fiber respectfully requests that the Commission cancel and withdraw CLEC No. L-7924 and any tariffs maintained by the Company on file with the Commission as soon as administratively practicable. Ripple Fiber further requests such other relief as the Commission deems appropriate.

Please contact the undersigned if the Commission or its Staff requires any additional information regarding this request.

Respectfully submitted,

/s/ Craig A. Gilley
