IN RE: GEORGIA POWER COMPANY'S 2015 REQUEST FOR PROPOSALS

ORDER APPROVING CONSENTS TO CHANGE OF CONTROL AND COLLATERAL ASSIGNMENT

On August 20, 2026, Georgia Power Company ("Georgia Power" or "Company") filed for Georgia Public Service Commission ("Commission") approval to Consents to Change of Control of the Qualifying Facility ("QF") Proxy Contracts for the Purchase of Firm Capacity and Energy (collectively, "Power Purchase Agreements" or "PPAs") to GRP Franklin, LLC ("GRP Franklin") and GRP Madison, LLC ("GRP Madison").

On December 18, 2024, the Georgia Public Service Commission ("Commission") approved amendments to the Contracts for the Purchase of Firm Capacity and Energy Utilizing

Proxy Methodology between Georgia Power Company ("Georgia Power" or "Company") and GRP Franklin, LLC ("GRP Franklin") and GRP Madison, LLC ("GRP Madison"). The Contract Capacity of both biomass facilities in Franklin County and Madison County remain at 58 megawatts ("MW"). The two facilities were originally approved by the Commission to a Contract for the Purchase of Firm Capacity and Energy from a Renewable Qualifying Facility Utilizing the Proxy Unit Methodology dated November 23, 2015.

GRP Holdco, LLC, a Delaware limited liability company ("Seller"), owns one hundred percent (100%) of the issued and outstanding membership interests in GRP Borrower, LLC, a Delaware limited liability company ("GRP Borrower"), and GRP Borrower owns one hundred percent (100%) of the issued and outstanding membership interests in GRP Franklin and GRP Madison.

Seller and Pacolet GRP, LLC, a Delaware limited liability company ("Buyer") have entered into that certain Purchase and Sale Agreement, dated as of June 24, 2026 (the "Purchase Agreement"), pursuant to which Buyer will purchase and acquire from Seller, and Seller will sell, convey, assign, transfer and deliver to Buyer, one hundred percent (100%) of the membership interests in GRP Borrower, resulting in Buyer indirectly owning one hundred percent (100%) of the issued and outstanding membership interests in GRP Franklin and GRP Madison. Pursuant to Section 22.1.3 of the PPAs, the Transfers of Interest requires the prior written consent of Georgia Power. Although the consent of Georgia Power is not required in connection with the Financing Collateral Assignment, the Parties acknowledge that the exercise of Collateral Agent's remedies under the Financing Transaction may result in a subsequent assignment of the PPA that will require the prior written consent of Georgia Power in accordance with Section 22.1.1 of the PPAs.

The Seller and Buyer requested Georgia Power's consent to change of control for the PPAs for the GRP Franklin and GRP Madison facilities.

Georgia Power negotiated the appropriate documents to provide its consent to change of control and collateral assignment for the GRP Franklin PPA and GRP Madison PPA ("Consents") and provided copies to Commission Staff ("Staff") for review.

Staff reviewed and recommended approval of Georgia Power's Consents for the GRP Franklin PPA and GRP Madison PPA.

The Commission approved Staff's recommendation at the September 1, 2026 Administrative Session.
