PUBLIC DISCLOSURE VERSION

USF 2024 Plan: McIntosh County Project Notice of Completion Report

STF-20-1 On July 30, 2026, AGL filed the Notice of Completion Report ("NOC") for the McIntosh County Project ("Project") approved as part of the 2024 Universal Service Fund Facilities Expansion Plan ("USF 2024 Plan"). Regarding the Project, the Commission approved an engineering estimate of $16.4 million ($19.4 million with income taxes and finance costs), as seen in (i) below, for the project. The USF was approved for $14.8 million and ECON-1 was approved to cover $4.8 million. As provided in the NOC filing, AGL showed actual project spending of $6 million for USF recovery before income taxes and finance costs. Please answer the following.

a. Regarding (ii) below, MFR-1, please provide an updated project description with the changes to the project from the original filing.

b. Regarding (iii) below, MFR-4, please provide an updated map that shows the actual construction completed.

c. How much of the Project was allotted to the ECON-1 surcharge for recovery?

d. What factors contributed to the USF having a $6 million recovery from the estimated $14.8 million.

(i) Commission Final Order Docket No. 43510 USF 2024 Plan 12-27-2023

ORDERED FURTHER, that the Commission approves that of the **$19,657,977** requested for the McIntosh County Project, the Commission approved that the remaining 2022-2023 ECON-1 funding of **$4,828,548** allotted for the Igneo project be used for the McIntosh County Project, and the remaining **$14,829,429** needed will be funded by USF.

(ii) MFR-1

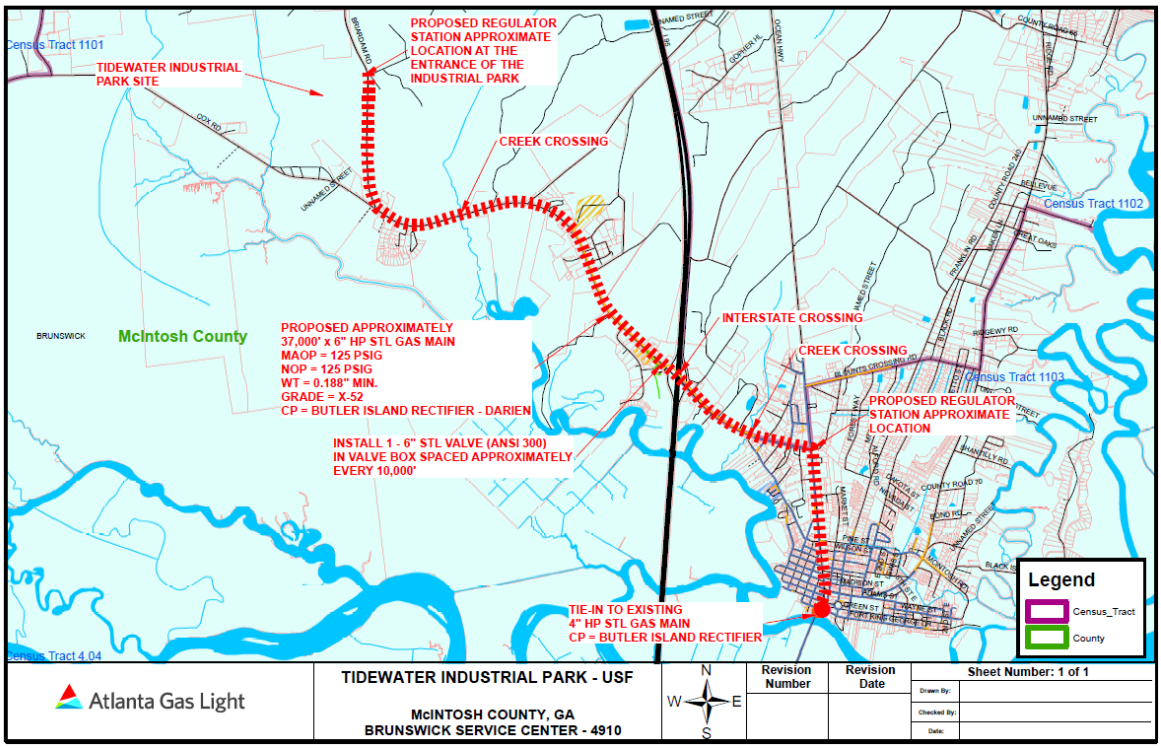

McIntosh County

This project proposes to serve the Tidewaters Industrial Park and tow additional commercial businesses in McIntosh County. The McIntosh/Darien Industrial Development Authority has received commitments from two entities, a logistics company and a seafood distribution company, to locate within the Tidewaters park. In addition, McIntosh/Darien has received additional commitments from a food manufacturer and a large travel center to locate in Darien. The entities can be served via a single pipeline project. These companies plan to invest in excess of $245 million in facilities and create in excess of 600 jobs in the local area.

To serve these entities, AGL proposes to tie-into existing 4" steel located at the intersection of US 17 and Fort King George Drive in Darien and install approximately 37,000 feet of 6" steel pipe (MAOP 300 psi) along US 17, SR 251, and Briar Dam Road to reach the travel center, food manufacturer, and Tidewaters park.
