Cost Certification Statement Required by
Natural Gas Consumers' Relief Act
For the Year Ended May 31, 2026

We hereby certify that to the best of our knowledge and belief Coweta-Fayette Electric Membership Corporation (Coweta) and its gas affiliate, EMC Natural Gas, Inc. d/b/a True Natural Gas (True) complied with the Cost Allocation Manual approved by the Public Service Commission (PSC). Furthermore, we certify that:

- All costs, including shared services, have been fully allocated between Coweta electric activities and the gas activities of True.
- Any transfer of assets from Coweta to True has been at fair market value or cost, whichever is higher.
- Loans from Coweta to True have been at market rates.
- Coweta and True maintain separate books and records which are available for inspection by the PSC as required by the Act.
- All costs have been allocated in accordance with the Cost Allocation Manual in order to assure compliance with Georgia law.
- No costs of True have been charged to the electric customers of Coweta.

This certification is intended solely for the purpose of satisfying the requirements of the Natural Gas Consumers' Relief Act and should not be relied on for any other purpose.

This 23rd day of September 2026.
