**Re: Georgia Power Company's CARES 2025 Utility Scale Request for Proposals, End of Process Standards of Conduct Acknowledgment and Final Company Owned Proposal Team List; Docket No. 55952**

Dear Ms. Tanner:

Georgia Power Company's ("Georgia Power" or the "Company") CARES 2025 Utility Scale Request for Proposals ("CARES 2025 US RFP"), approved by the Georgia Public Service Commission (the "Commission") has concluded. Georgia Power hereby submits the final Company Owned Proposal ("COP") Team List thereby closing out the standards of conduct for the CARES 2025 US RFP.

In accordance with Commission Rule 515-3-4-.04(3)(d), and pursuant to Georgia Power's CARES 2025 US RFP, enclosed for filing are the COP Team End of Process Standards of Conduct Form, including the Acknowledgement each team member was asked to sign, and the Final CARES 2025 US RFP COP Team list. Every effort was made to contact members of the COP Team who are now either retired or who have left Southern Company or Georgia Power employment (as indicated on the final COP team List) and despite best efforts, those COP Team End of Process Standards of Conduct Acknowledgments were not obtained. This filing constitutes the final filing for the CARES 2025 US RFP COP Team.

Please contact me at (404) 885-3779 if you have any questions regarding this filing.

Best regards,

Allison W. Pryor
