SCHEDULE 6-CG

AVAILABILITY

Available in all territory served by the Cooperative, at the option of the consumer, and subject to the Cooperative's Service Rules and Regulations.

APPLICABILITY

Applicable to consumers requiring service to cotton gins.

TYPE OF SERVICE

Three-phase, 60 hertz, at a standard voltage.

MONTHLY RATE

Service Charge:	@	$420.00 per month
Demand Charges:	@	$ 6.00 per kW of Billing Demand
Energy Charge:	@	7.7 cents per kWh

MINIMUM ANNUAL CHARGE

The minimum annual charge shall be the greater of the following:

A. The amount specified under the line extension and rephasing policy contained in the Service Rules and Regulations of the Cooperative.

B. $12.00 per kVA of transformer capacity supplied by the Cooperative.

DETERMINATION OF BILLING DEMAND

The Billing Demand shall be based upon the highest 30-minute kW measurements in the current month and shall be the greatest of:

A. The current actual demand

B. The contract minimum demand

REACTIVE DEMAND ADJUSTMENT

The Cooperative may install metering equipment to measure reactive demand. The reactive demand is the highest 30-minute kVAR measured during the month. The Cooperative shall bill to the consumer the kVAR which is in excess of one-half the measured kW in the current month, at $.30 per kVAR.

WHOLESALE POWER COST ADJUSTMENT

The above rate shall be increased or decreased in accordance with the Cooperative's Wholesale Power Cost Adjustment Provision, Schedule WPCA-12.

CONTRACT PERIOD

A formal contract will be required between the Cooperative and the consumer for one of the following periods:

A. Not less than three (3) years

B. Not more than eight (8) years (96 months) where service is provided subject to the line extension and rephasing policy contained in the Service Rules and Regulations of the Cooperative.

The contract shall be automatically renewed for twelve-month terms after the end of the initial contract period, unless either party gives the other notice in writing of its intention to terminate service not later than the end of the current term.

EXCESS FACILITIES CHARGE

Should the consumer's service requirements necessitate the construction of facilities in excess of those normally provided by the Cooperative, a monthly facilities charge will be billed to the consumer in addition to all other charges contained in this schedule.

LATE PAYMENT CHARGE

If payment is not made within 15 days of the billing date, a late payment charge of 5% will be added.

Effective: For all bills rendered on or after November 1, 2026.
