**Re: ExteNet Telecom Solutions, Inc.**
**Request to Voluntarily Surrender Certificates of Authority**
**Docket Nos. 42518 & 42519**

Dear Executive Secretary Tanner:

ExteNet Telecom Solutions, Inc. (f/k/a Hudson Fiber Network, Inc.) ("ETSI") voluntarily surrenders its Certificates of Authority ("Certificates") (i) to provide Competitive Local Exchange Telecommunications Services, Certificate No. L-7662 issued in Docket No. 42518, and (ii) to Construct or Operate a Telephone Line, Plant or System, Certificate No. X-7661 issued in Docket No. 42519.[1] ETSI does not provide telecommunications services in Georgia, and due to changes in its business plan and market circumstances, has determined that it will not offer such services in the future. Therefore, ETSI does not require its Certificates and requests that the Commission cancel its Certificates at the earliest possible time.

Since ETSI does not provide telecommunications services in Georgia, the public will not be affected by the surrender and cancellation of its Certificates. Further, such surrender and cancellation are reasonable, necessary, and not disruptive to the present or future public convenience.

Questions or inquiries regarding any outstanding regulated obligations of ETSI should be directed to:
