Hi Myrka,

Oh perfect! Thank you so much for your help with this. Please let me know if there is anything else you need from me.

How long does the resubmittal process take please? Are we able to receive an update as soon as the review is complete?

Thanks,

Hi Myrka,

Is that the process sorry? I'm not sure of the next steps as Robert mentioned he didn't see all the documents I sent over for the first application? I wonder if it's because I emailed over the electrical and mechanical one lines, but we dropped the other documents in person so they didn't get linked to the same application.

Thanks,

Jenny
