SYNOPSIS

The following changes are being made to Darien's GSST:

Darien is adding a new Advanced Calling Feature called "VoIP Feature Bundle". This option is available to basic local VoIP customers and includes all 30 Advanced Calling Features. The rate for this bundle is $6.00 per month.

The current monthly revenue for all Advanced Calling Features combined is [redacted]. After conversion of all basic local customers to VoIP, the estimated monthly revenue would be about [redacted]. Therefore, the estimated revenue impact of this tariff revision would be a net revenue reduction of [redacted] per month.
