Re: ExteNet LVS, LLC
Request to Voluntarily Surrender Certificates of Authority
Docket Nos. 56024 & 56025

Dear Executive Secretary Tanner:

ExteNet LVS, LLC ("ELVS") voluntarily surrenders its Certificates of Authority ("Certificates") (i) to provide Competitive Local Exchange Telecommunications Services, Certificate No. L-7979 issued in Docket No. 56024, and (ii) to Construct or Operate a Telephone Line, Plant or System, Certificate No. X-7980 issued in Docket No. 56025. ELVS does not provide telecommunications services in Georgia, and due to changes in its business plan and market circumstances, has determined that it will not offer such services in the future. Therefore, ELVS does not require its Certificates and requests that the Commission cancel its Certificates at the earliest possible time.

Since ELVS does not provide telecommunications services in Georgia, the public will not be affected by the surrender and cancellation of its Certificates. Further, such surrender and cancellation are reasonable, necessary, and not disruptive to the present or future public convenience.

Questions or inquiries regarding any outstanding regulated obligations of ELVS should be directed to:
